

Accommodation

At certain times of the year we can offer excellent residential accommodation. Kirkmichael House is a converted 18th century manor house providing 36 bed places in single or twin en-suite rooms. In addition, Nith and Cree Hostels each comprise sixteen single study bedrooms, with wash-hand basin in room, with four bedrooms sharing one bathroom.

Catering

We have a wealth of experience in catering for a wide range of functions and events, including conferences, weddings, garden parties, birthday parties or residential stays. Our catering department can design a menu to suit your taste and budget, offering a variety of meals and snacks to suit individual requirements. Whether you have a party for afternoon tea, with fresh home baking, a group of hungry cyclists in need of some high-energy carbohydrates or would like a full buffet or sit down meal for a special event, we can provide exactly what you need. We are also a licensed premises should you require the use of these facilities.

“Dumfries and Galloway Dog Agility Group (DAGDAG) have been at Barony since 1995. The facilities that we use are excellent, we use the outdoor areas for training our dogs and there is no doubt that our group could not continue without the facilities and support provided by Barony, and for this we are extremely grateful.”

George Stephenson – (DAGDAG) Trainer
