

## **DECLARATION AND UNDERTAKING**

I undertake to be dutiful and industrious in my studies and to observe the academic, residential and other regulations of SRUC. I undertake to inform SRUC of any changes to my personal information. I acknowledge that in all such matters I shall be subject to the jurisdiction of SRUC. I accept that, if SRUC finds my studies, including attendance at SRUC, to be unsatisfactory I may be required to withdraw from the programme. I also accept that if SRUC finds my conduct to be unsatisfactory I shall be subject to the Student Discipline Policy and may incur such penalty as SRUC may consider appropriate, including suspension or expulsion from the programme for which I have been admitted.

I, or my sponsor, is required to pay for my learning at SRUC and all outstanding tuition and associated learning fees for an academic year must be paid by the last day of that Academic year. Any outstanding debt relating to tuition and associated learning fees still owed by me by the 31st August is likely to result in the non progression to the next year of the programme, or admittance to the next level of award.

I accept that the award of any academic qualification resulting from my studies at SRUC will be withheld by SRUC pending my settlement of any outstanding debts to SRUC or its partner institutions.
