

2024 Poster Competition Details

The theme of this year's conference is 'Adaption to Net Zero'. Delegates are invited to contribute their projects and plans, advisory and educational methods and new ideas to the conference under this theme, via the **poster session**.

The posters will be presented on Day 1 of the conference. There will be a panel of judges from SRUC, EUFRAS, SEASN and IALB who will choose the winner of the competition, and this will be announced at the conference dinner on day 1.

Please note that a contact person should be available to present your poster and answer questions throughout the morning poster session.

Technical requirements:

- **SPECIFICATION:** The poster should be single sided in A0 format (84.1cm x 118.9cm) and the title, author and contact information must be displayed. Please ensure fonts are large enough to be read from 1 – 2m away.
- **DIGITAL FILES:** We will also publish the posters on the conference website. The digital version should be sent to us as a single page .PDF file, which will be merged into one document with all posters and uploaded to our website.
- **DEADLINE:** Please send the posters in PDF format to conferences@sruc.ac.uk by 28.08.2024 at the latest.
- **PRINTING:** Please inform us if you would like us to do the printing for you and you will receive the poster on site.
